

STONE ENGRAVING CNC

NEMO-10S

3 - axis

optional 5 - axis

- Milling the FLOOR, cutting, edging, engraving the FLOOR
- Working directly on site wall: 1100 x 1250mm

Passion for stone

ALL OUR MACHINES ARE CUSTOM BUILD

FEATURES

- CNC machine for marble and granite
- The main features of the machine are: high speed, high precision, flexibility and compactness
- Windows platform.
- CNC PC based control system.
- CAD System compatibility (DXF).
- Optimization of cutting path and cutting speed.
- Graphical interface.
- Tool database and management system.
- G-code programming.
- User friendly interface for easy learning & operation.
- A highly professional training and after-sales service.
- Custom table size available.

FUNCTIONS

- Lettering and engraving
- Internal and external edging
- Polishing of the edges
- Beveling and grooving
- Making artistic and geometrical bas-reliefs
- Straight and shaped polished engravings
- Machining of sinks from solid starting from a block of marble and granite
- Working on site floor, any surface, any size.
- Milling the FLOOR, cutting, edging, engraving the FLOOR.
- Working directly on site wall: 1100 x 1250mm
- Easy to install in another site: 20h from Start disassembling to Start the CNC in the next location.
- Easy to operate by unskilled operators.
- Easy to check, supervise and Remotely inspect via Internet.
- Receive drawings and tool paths from office to any location (need only Satellite clear view)

ALL OUR MACHINES ARE CUSTOM BUILD

TECHNICAL DATA

Longitudinal axis y	mm	1250
Tranversal travel axis y	mm	1100
Vertical travel axis z	mm	220
Advancement speed axis y	mm/min	0-12000
Advancement speed axis x	mm/min	0-12000
Advancement speed axis z	mm/min	0-12000
Spindle speed	rpm	3-24k
Spindle power	kW	2.2...4,8
Spindle collet ER 32 max	mm	20
Maximum width	mm	1930
Maximum length	mm	2300
Maximum height	mm	900
Maximum power	kw	6
Voltage/frequence	V	220/380

Technical characteristics of our STANDARD model.

- ***COST EFFICIENT***
- ***UNLIMITED DESIGNS***
- ***FAST***
- ***RELIABLE***
- ***EASY INSTALLATION***
